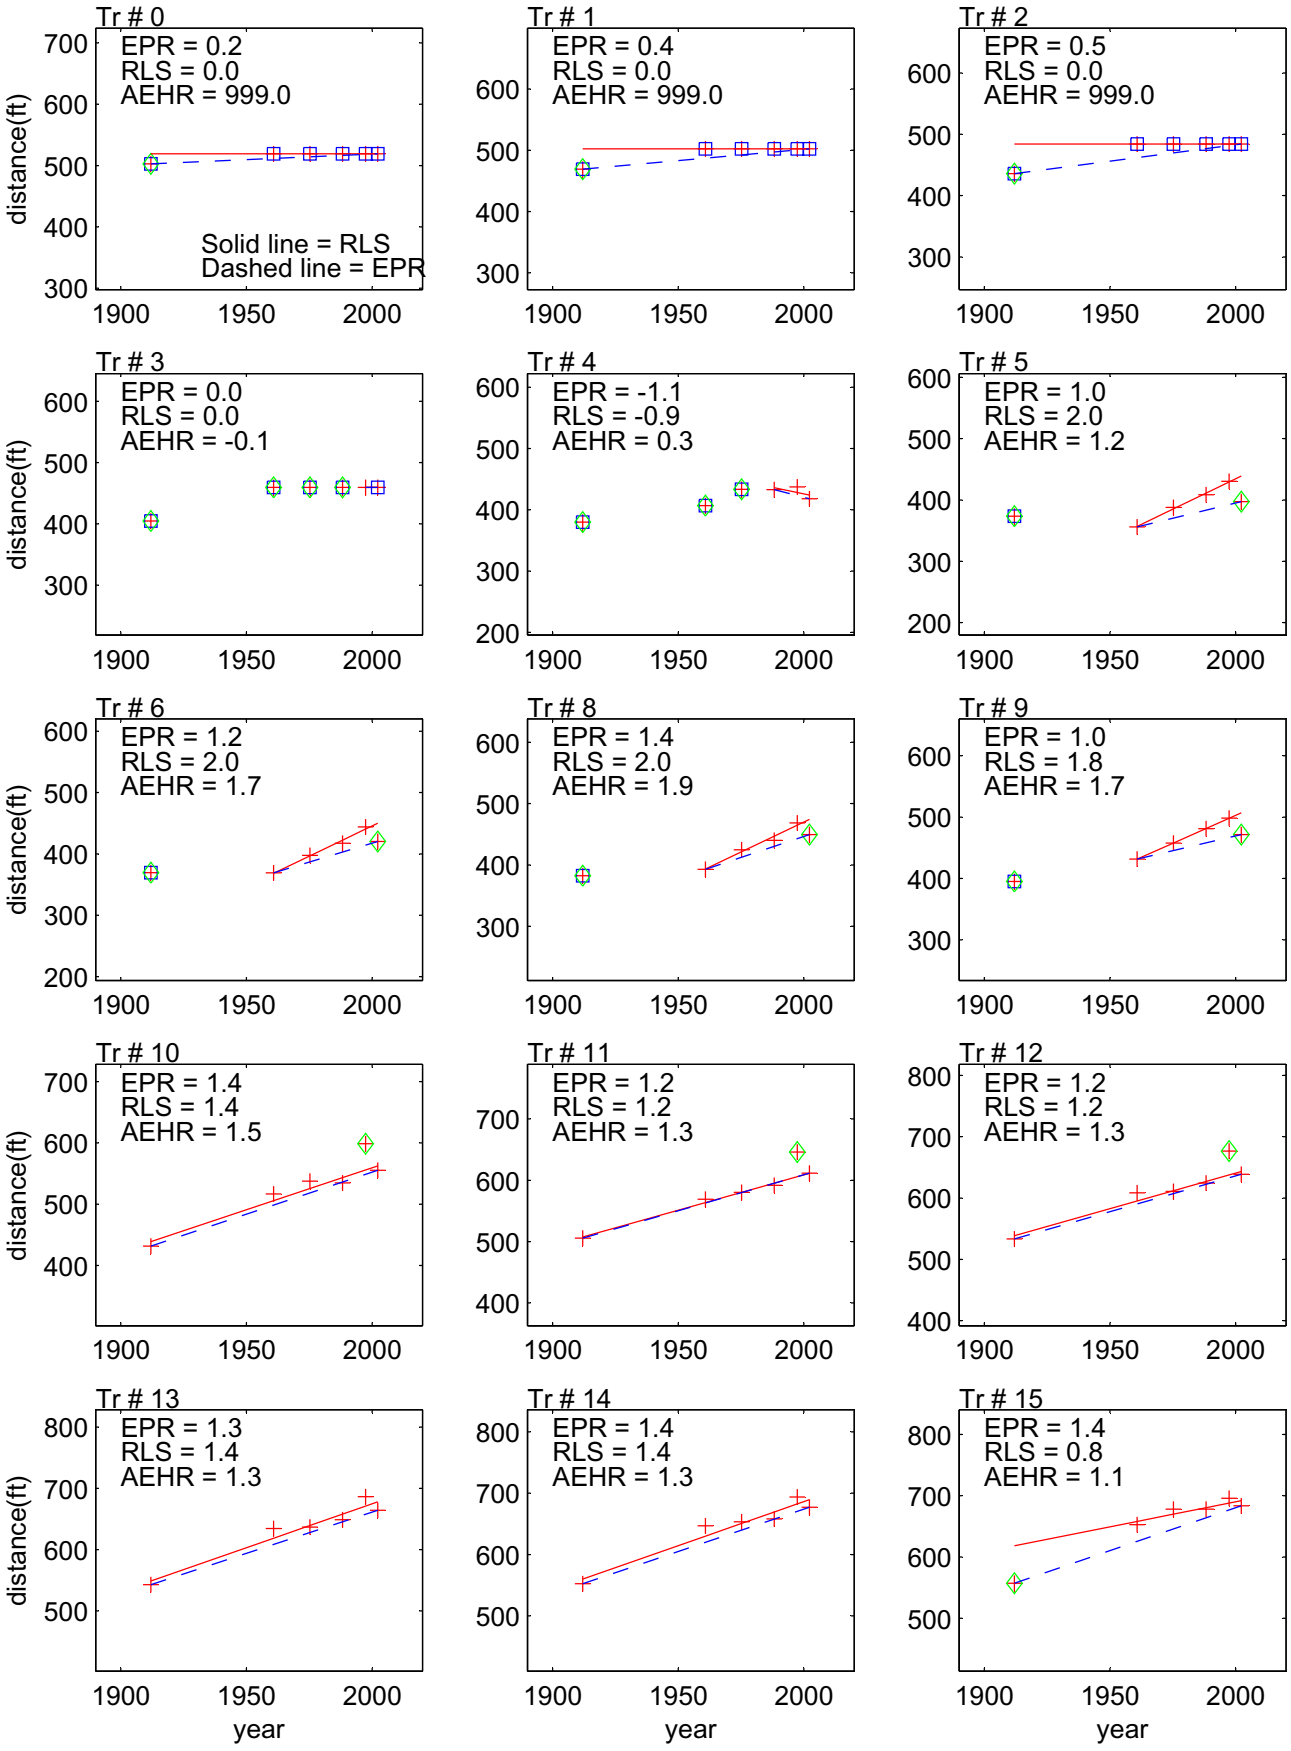
Kuau - Shoreline Positions and Erosion Rates



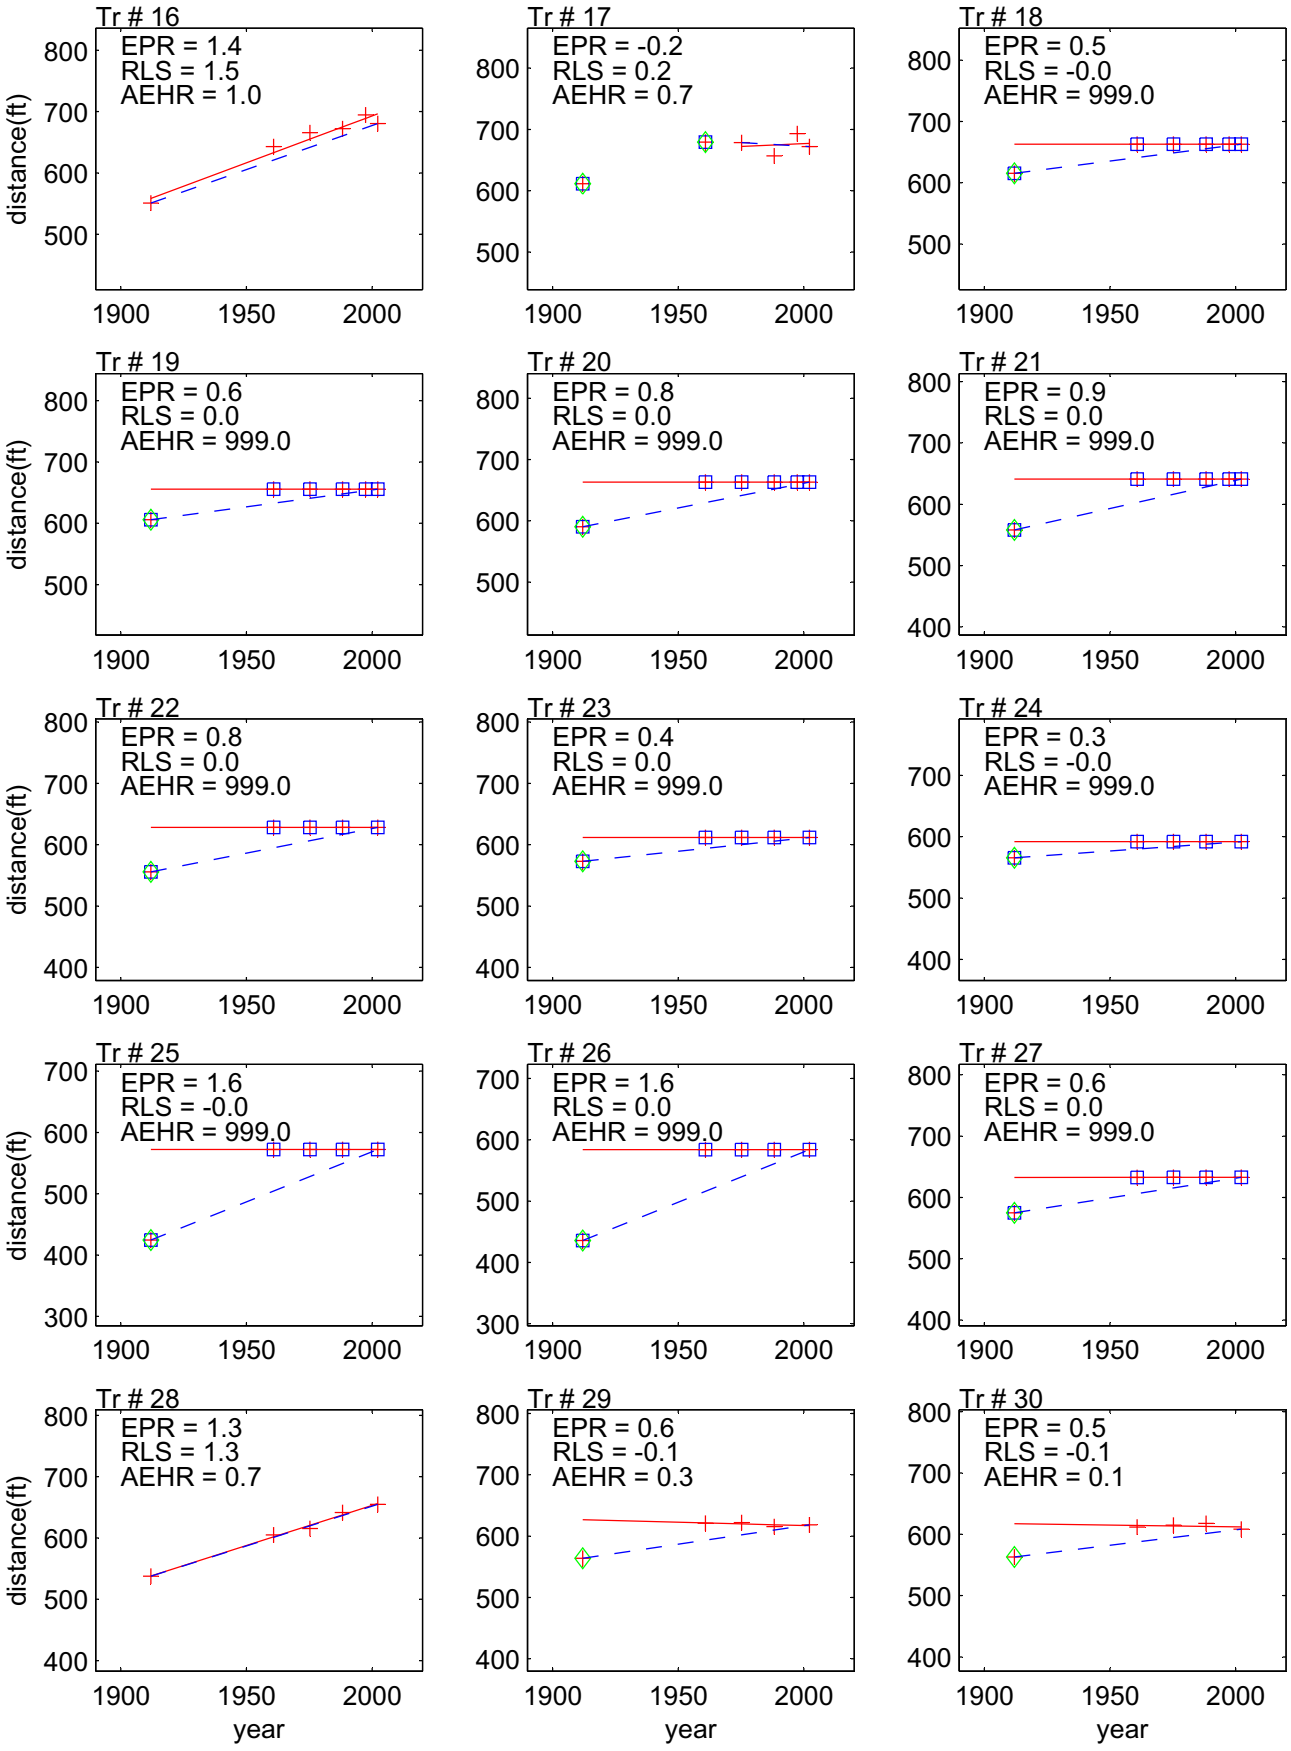
+ = Shoreline Position

◇ = Outlier

□ = Hardshoreline designated at that transect location for that year.

999 = Hardshoreline designated at that transect location for that year.

Kuau - Shoreline Positions and Erosion Rates



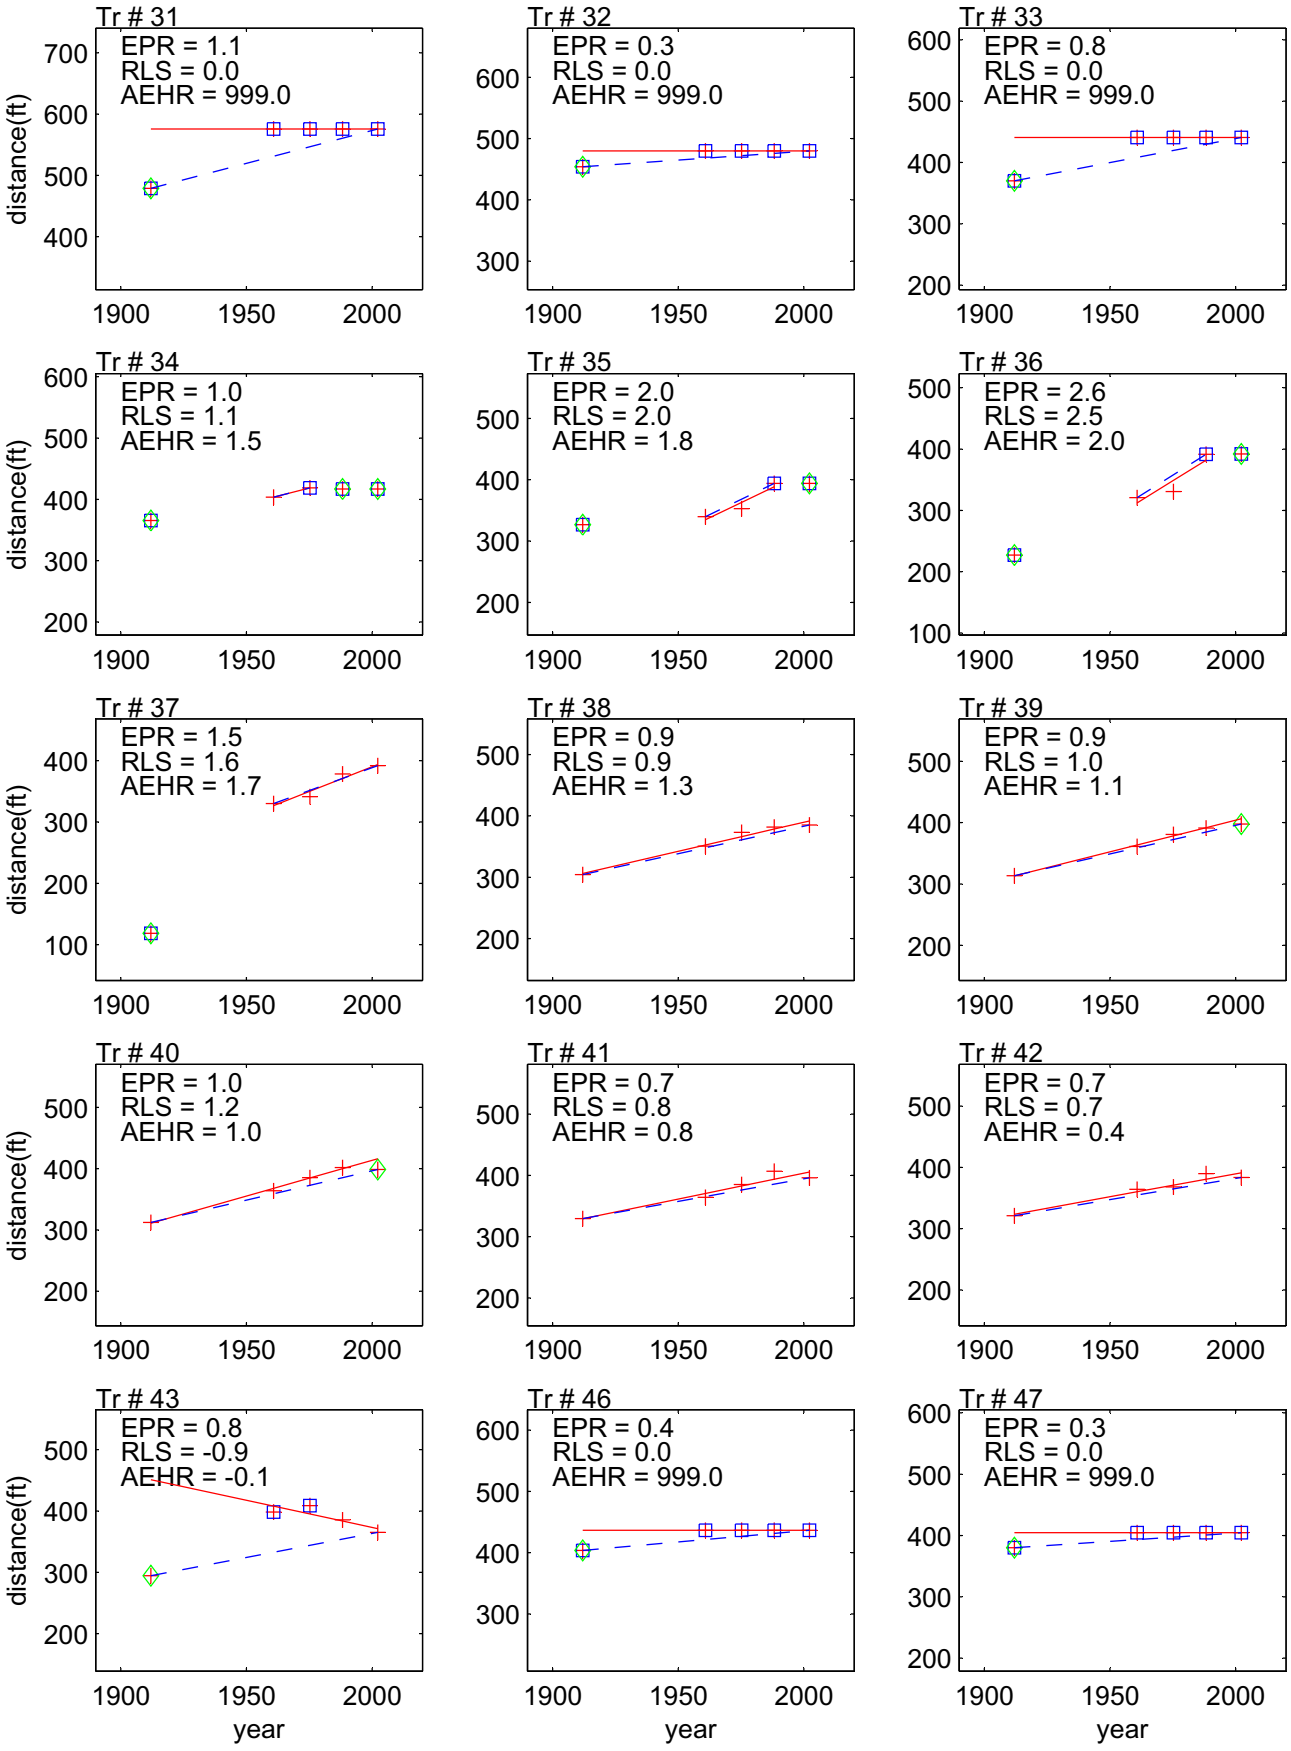
+ = Shoreline Position

◇ = Outlier

□ = Hardshoreline designated at that transect location for that year.

999 = Hardshoreline designated at that transect location for that year.

Kuau - Shoreline Positions and Erosion Rates



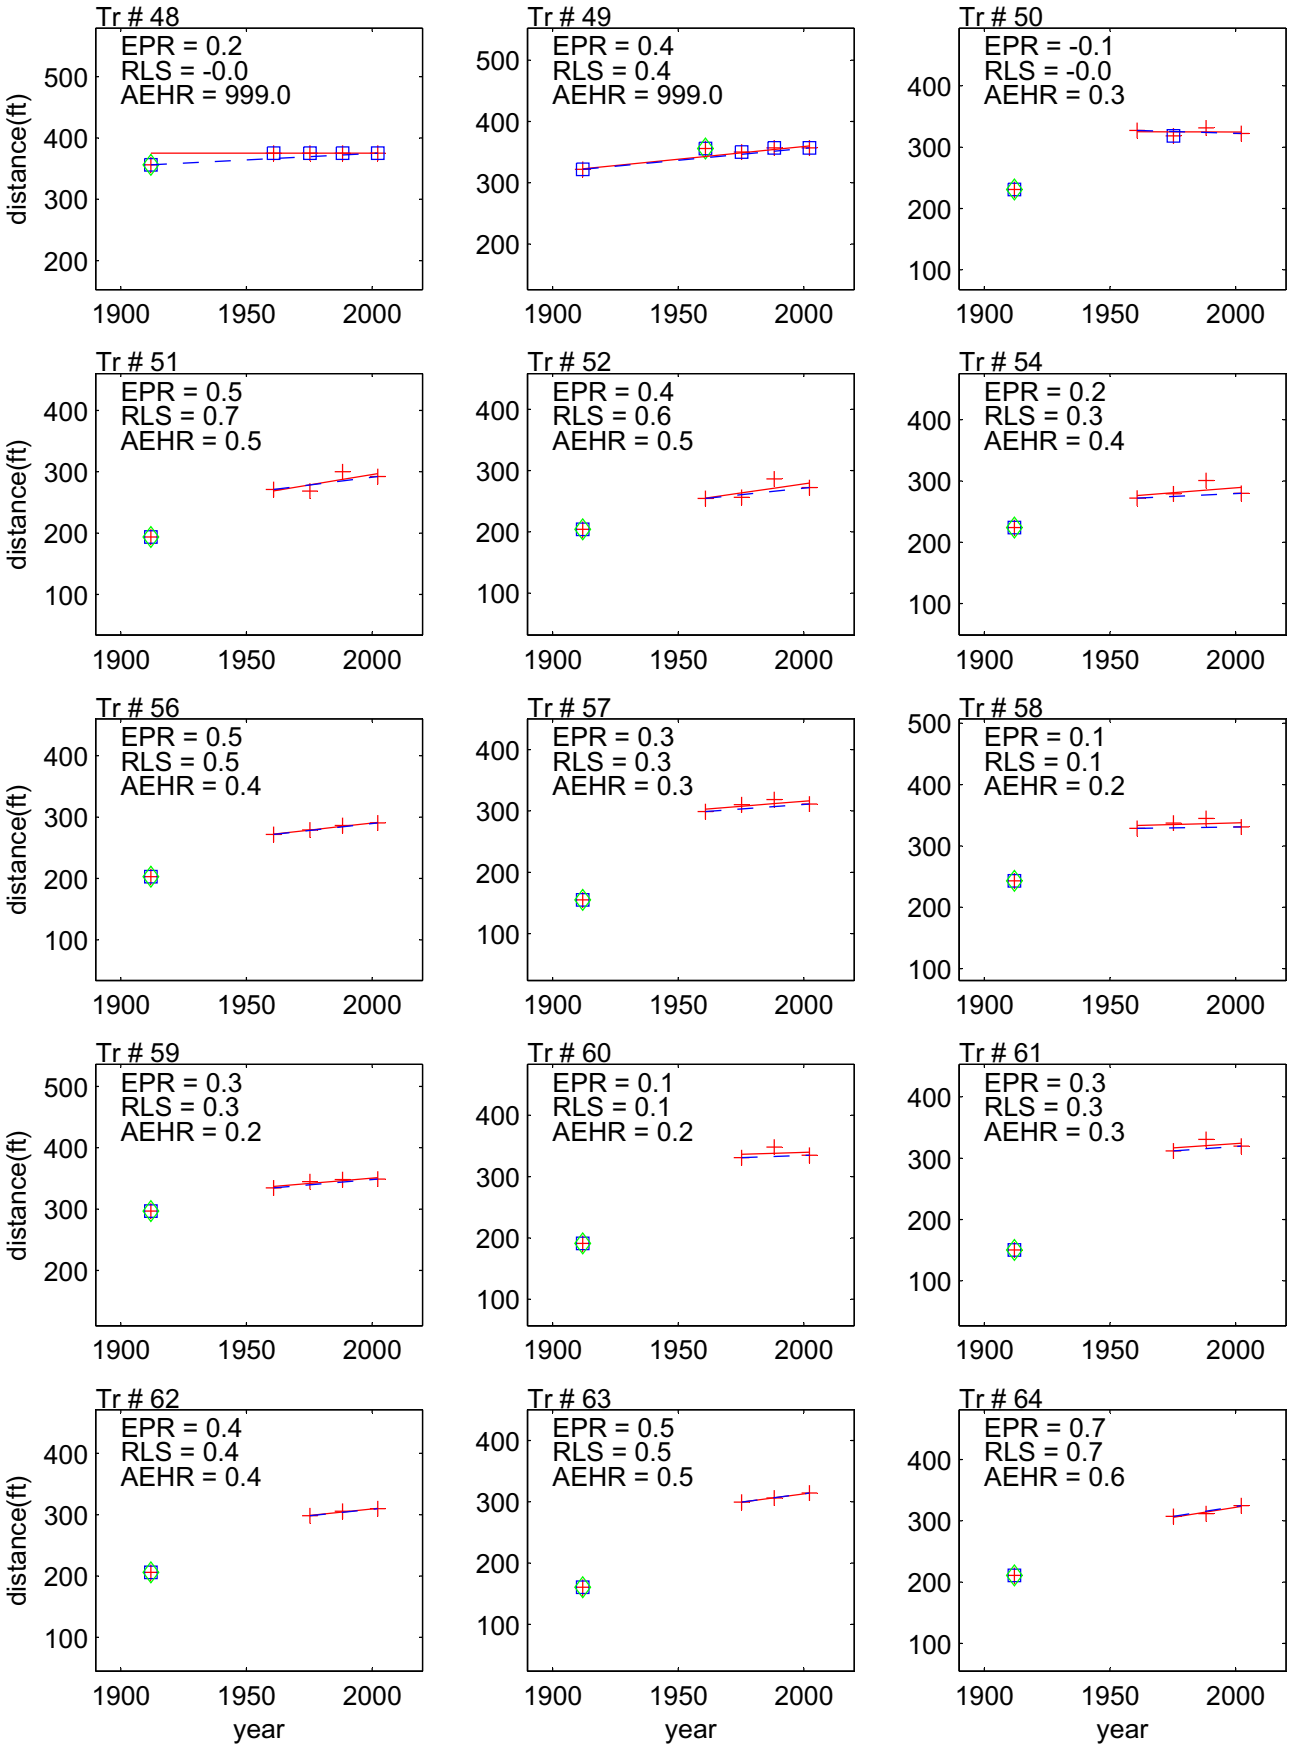
+ = Shoreline Position

◇ = Outlier

□ = Hardshoreline designated at that transect location for that year.

999 = Hardshoreline designated at that transect location for that year.

Kuau - Shoreline Positions and Erosion Rates



+ = Shoreline Position

◇ = Outlier
