TABLE OF CONTENTS

"Oceanography is fun!"
Roger Revelle

1. Prologue..... 1-1

2. Definitions, Notes, Disclaimer, and Acknowledgments..... 2-1

2.1. A Few Definitions..... 2-1
2.2. Notes and Disclaimer..... 2-2
2.3. UH Oceanography: Roots and Branches..... 2-4
2.4. Acknowledgments and Credits..... 2-4

3. The First Fifty Years of Marine Research at UH: 1907 to 1957..... 3-1

3.1. Hawaii's Natural Laboratory..... 3-1
3.2. First US Interagency Conference on Oceanography: July 1924..... 3-4
Box 3.1: National Academy of Sciences, National Academy of Engineering, and National Research Council..... 3-4
3.3. The US National Academy of Sciences Committee on Oceanography: 1927-1937..... 3-5
Box 3.2: Marine Biological Laboratory at Woods Hole: 1888-Present..... 3-6
Box 3.3: Henry Bryant Bigelow..... 3-9
Box 3.4: R/V *Atlantis*..... 3-10
3.4. A New Emphasis on Basic Research at UH, Including Marine Sciences..... 3-13
Box 3.5: The Linus C. Pauling "Red Scare" Affair: 1951..... 3-13
Box 3.6: David Starr Jordan: Founder of Modern Ichthyology..... 3-17
Box 3.7: Robert W. Hiatt: The Father of UH Marine Sciences..... 3-21
Box 3.8: Fisheries Research in Hawaii: POFI-BCF-NMFS..... 3-23
Box 3.9: The Fisheries Vessels *Hugh M. Smith* and *Charles H. Gilbert*..... 3-26
3.5. New Opportunities for Federal Support of Marine Sciences: NIH, ONR, AEC, and NSF..... 3-27
3.6. The Waikiki Aquarium (1904), Cooke Memorial Marine Laboratory (1920), Hawaii Marine Laboratory (1951), and Hawaii Institute of Marine Biology (1965): The Evolution of UH's Marine Biology Field Stations..... 3-31
Box 3.10: A "New" Waikiki Aquarium..... 3-34

Box 3.11: Charles H. Edmondson and the Tortugas Laboratory..... 3-37
3.7. UH Marine Research at Enewetak Atoll: 1954-1980s……..… 3-41
Box 3.12: The Pacific Proving Ground-UH Legacy…..……..... 3-42
3.8. Hawaii Institute of Geophysics (HIG) – The Humble Beginnings of a World-Class Organization……..… 3-44
Box 3.13: IGY (1952-1959): The Beginning of "Big Science"…..... 3-46
3.9. Crossing a Turbulent Sea Toward Departmental Status for Oceanography…… 3-48

4. An Unprecedented Decade of Successes for UH Marine Science Programs: 1957-1967…… 4-1

4.1. Statehood for Hawaii: 1959……..… 4-1
4.2. HIG Becomes a Reality……. 4-2
4.3 George Prior Woollard: The Inaugural Director of HIG……..… 4-9
Box 4.1: "Doc" Woollard Aboard!…….…….……. 4-9
Box 4.2: University "Report Cards"…...…….……. 4-16
Box 4.3: UH and the Lost Promise of Project Mohole…….…… 4-17
4.4. HIG-Makai: "Towards the Sea" with a New Emphasis on Oceanography…… 4-18
Box 4.4: The J. K. K. Look Laboratory (1964-2002)……..…. 4-19
Box 4.5: Oceanic Biology: A New HIG Division and Direction……. 4-21
4.5. UH Department of Oceanography: A Second Attempt……..… 4-22
4.6. Oceanography Program Leadership: The Early Years (1962-1967)…. 4-26
Box 4.6: Vernon E. Brock: The Inaugural Chair of the Department of Oceanography (1964-1965)…… 4-27
Box 4.7: Klaus Wyrtki: UH's World-Class Oceanographer…….…… 4-27
Box 4.8: Richard G. Bader: Oceanography Chair #2 (1966-1967)….. 4-29
Box 4.9: Garth I. Murphy: Oceanography Chair #3 (1968-1970)…… 4-30
4.7. Oceanography's "Honor Roll"……... 4-30
Box 4.10: The 1973 Faculty Purge…….……...… 4-33
Box 4.11: Thank God It's Friday (aka "TGIF") – a UH Ocean-HIG Tradition…….…….. 4-34
4.8. Pioneering Oceanography Faculty……..… 4-42
4.9. Charting a Course Towards Excellence: The PhD Program in Oceanography…… 4-43
4.10. The Mostly Empty Captain James Cook Chair: A Lost Marine Opportunity…… 4-48
Box 4.12: The Albatross Award of the American Miscellaneous Society…….. 4-50
4.11. Hawaii Institute of Marine Biology: 1965-present……... 4-54
4.12. The Kewalo Basin Oceanography Facility: A Proposed Split of Subdisciplines……... 4-61
Box 4.13: Kewalo Marine Laboratory……..… 4-62
Box 4.14: Georg von Bekesy: The First and, to Date, Only Nobel Laureate Faculty Member at UH……...… 4-63

4.13. The Research Corporation of the University of Hawaii (RCUH)…….. 4-63

5. The Lasting Impacts of the Stratton Commission…….. 5-1

5.1. New Ocean-Related Federal Initiatives……. 5-1
5.2. The Stratton Commission: *Our Nation and the Sea*……..… 5-2
Box 5.1: Taylor Allderdice Pryor ("TAP") and the Saga of the Oceanic Foundation……..… 5-3
Box 5.2: The Formation of UNOLS...……...… 5-5
Box 5.3: The International Decade of Ocean Exploration……..... 5-6
Box 5.4: The 2001 Ocean Commission and Pew Oceans Commission…… 5-6
5.3. Hawaii Responds: *Hawaii and the Sea*……..… 5-8
5.4. *Hawaii and the Sea: 1974.……...……..… 5-11
Box 5.5: The 1978 "Marine Event"…..……...… 5-12
Box 5.6: NOAA Ship *Townsend Cromwell* (R443), *Oscar Elton Sette*, and *Ka'imimoana*……...……...… 5-13

6. Enter John Piña Craven: Founding UH Dean of Marine Programs and State of Hawaii Marine Affairs Coordinator….... 6-1

6.1. From Brooklyn to Washington to Honolulu……...… 6-1
Box 6.1: UH President Harlan Cleveland (1970-1974)……. 6-2
Box 6.2: John "MAC" Craven…….……...… 6-2
Box 6.3: The Sea Grant College Program……. 6-5
Box 6.4: The Marine Options Program……..... 6-7
Box 6.5: 1979 Ocean Fair……...……..…… 6-8
Box 6.6: Blue-Water Marine Lab: A Classroom at Sea…… 6-9
6.2. Craven's Floating City: Dream or Debacle……...… 6-9
6.3. A Run for US Congress……...… 6-10
Box 6.7: Governor George Ariyoshi and PICTHR…… 6-11
6.4. The 1977 Byrne Bombshell: A Commissioned Report on UH Marine Programs……..… 6-12
6.5. The (Durward) Long and Short of It……...… 6-13
Box 6.8: UH President Fujio Matsuda (1974-1984)……...……...… 6-14
Box 6.9: The Larry Price – Board of Regents – Wytze Gorter Affair...……...……....… 6-15
Box 6.10: Law of the Sea Institute…….…… 6-17
6.6. The UH Marine Advisory Council I: 1982-1985…….. 6-17
6.7. Craven's UH Marine Legacy……...…….. 6-18

7. The Marine Sciences Building……...…7-1

Box 7.1: "Divers" – MSB Art……..…….. 7-2
Box 7.2: JIMAR and Affiliated Research Units: UH Sea Level Center, Pelagic Fisheries, and the Klaus Wyrtki Center

for Climate Research and Prediction…….. 7-4

8. The Oceanography Independence Movement: 1980……..… 8-1

9. New UH Leadership and a New UH Organization for Marine Programs: From Simone to SOEST…….……9-1

9.1. Mackey's Short-Lived Reign…….…… 9-1
9.2. Enter Albert Simone: UH's Ocean President…….…….. 9-3
9.3. The UH Marine Council II: 1985-1989…… 9-4

10. Enter C. Barry Raleigh: Founding SOEST Dean…….…. 10-1

10.1. From the Ivy League to the Land and Sea Grant…….…….. 10-1
10.2. SOEST: A New Organization Takes Shape…….……..… 10-3
10.3. SOEST Survives Mortimer's Reign……..…..… 10-6
Box 10.1: Global Environmental Science Degree Program……..… 10-8
Box 10.2: Fred Mackenzie: Researcher, Mentor, Scholar……..… 10-9
10.4. The POST(-poned) Building…….……. 10-9
Box 10.3: Sweet and Sour Pork: UH Marine Science Earmarks…..… 10-12
10.5. A New Research Prospectus and a Business Plan...…….…….. 10-17
10.6. Founding SOEST Dean Raleigh Resigns……...… 10-17
Box 10.4: Will History Repeat Itself? The Sagas of the Long-Craven and Englert-Raleigh Disputes…… 10-19

11. Enter Evan Dobelle: "Defining Our Destiny"…..…… 11-1

11.1 Dobelle Makes a "Big Splash" ……..… 11-1
Box 11.1: Chancellor Peter Englert…….……. 11-5
11.2. Hawaii Politics: Open Mouth, Insert Foot...……. 11-6
11.3. UH Budget Woes Continue into the Lingle-Dobelle Era.……. 11-8
11.4. The "Branding" of UH…….……. 11-8
11.5. A Broken Trust? …… 11-11

12. UH Research Vessels and Marine Expeditionary Support Facilities…….……. 12-1

12.1. Down to the Sea in Ships: The Rise of Academic Oceanography....… 12-1
Box 12.1: HMS *Challenger* Expedition (1872-1876)……...… 12-3
12.2. The Beginnings of Marine Expeditionary Research at UH……...…… 12-5
12.3. The UH Marine Expeditionary Centers: From Keehi and Kewalo, to Piers 18 and 45……..…….. 12-6
Box 12.2: Ship Operations Personnel and the UH Marine Superintendents…….…… 12-7
Box 12.3: The Evolution of Sand Island……... 12-9

12.4. Early Use of Expeditionary Facilities: A Contribution from J. Frisbee Campbell…….…….. 12-9

13. The UH Fleet Assets (1962-2003).…….…….…… 13-1

13.1. R/V *Neptune* (1962-1965).…….…….……... 13-1
13.2. R/V *Teritu* (1964-1974)……..……..… 13-3
13.3. R/V *Mahi* (1968-1971)…….……...… 13-7
Box 13.1: Loren Kroenke: The Iron Man of Expeditionary Marine Research…...…… 13-9
Box 13.2: The "Big Bang" of UH Marine Research..……...… 13-11
Box 13.3: Historic Research at Sea: The Meeting of the *Mahi* and the *Vityaz*…….……..…...… 13-14
13.4. R/V *Kana Keoki* (1971-1987)…….……...… 13-15
Box 13.4: What is an AGOR?…….……...… 13-16
13.5 R/V *Moana Wave* (1973-1999)…….……. 13-22
Box 13.5: R/V *Moana Wave* Retires from UNOLS Fleet…...…….. 13-27
13.6. R/V *Noi'i* (1976-1981)….……...… 13-28
13.7. R/V *Kila* (1982-1998)…….……... 13-29
Box 13.6: The Legend of Mo'ikeha and Kila……...… 13-31
13.8. R/V *Samuel P. Lee* (1983-1992)…….……...… 13-34
13.9. R/V *Ka'imikai-O-Kanaloa* (1994-present)...……..… 13-35
13.10. R/V *Klaus Wyrtki* (2001-present)…..…...……...… 13-37
13.11. R/V *Kilo Moana* (2001-present)…..…….……...… 13-38
13.12. Short-Term Charters and Ships of Opportunity……...……...… 13-50
Box 13.7: SSP *Kaimalino*…….…...……...… 13-51
Box 13.8: The *Valiant Maid*…….……..….…….. 13-53
Box 13.9: The UH-Hokkaido University Connection….……...… 13-54
13.13. Submersible Science at UH…….……...… 13-54
Box 13.10: HURL Discovers Japanese Midget Submarine..…… 13-59
13.14. UH's Airborne Fleet Assets…….……...… 13-60
13.15. The "Broken Screw Award"...…….……...… 13-62

14. The *Holoholo* Mystery: An Unsolved UH Sea Tragedy with a a Lasting Impact……..…..……..…… 14-1

14.1. Events Leading up to the Tragic Loss of *Holoholo*.……..… 14-1
Box 14.1: R/V *Kana Keoki* Cruise KK78-12-15: The Search for the *Holoholo*..……..……..……... 14-5
14.2. The Aftermath: Solemn Memorials and Probing Investigations……. 14-9
Box 14.2: A Campus Memorial for the UH Scientists Lost at Sea aboard the *Holoholo*..…… 14-12
14.3. A Formal US Coast Guard and National Transportation Safety Board Inquiry…….……... 14-12
14.4 U-2 Photograph and Underwater Signals: Contradictions on the Location of *Holoholo*…… 14-16

14.5. Aftermath: The Final Reports and the Subsequent Legal Battles..….. 14-21
Box 14.3: The National Transportation Safety Board Marine Accident Report……..… 14-21
Box 14.4: Department of Transportation Cost Guard Marine Casualty Report…….. 14-23
14.6. 25 Years Later, "The Wound Still Bleeds"……..….. 14-25

15. Epilogue……..……..……... 15-1

16. References……..…….……..……....… 16-1
